Dear Parent/Guardian,

It has been our pleasure to serve your child through the Alpha Program of the Mifflin County School District this year. As we look forward to the 2021-2022 school year, one of our first tasks is to determine which of our current students are interested in continuing with the Alpha Program next school year.

Although final determination of whether students qualify to return to the Alpha Program will not be made until May, your declaration of intent to return to the Alpha Program or to one of the MCSD buildings helps us, as well as your child, as we begin the process of scheduling courses for next school year.

Please complete and submit the linked Google Form by **Friday, March 19th** so that we may begin the process of preparing your child's educational plan for next year. Providing your intent now helps ensure that we complete your student's online course scheduling prior to the start of the 2021-22 school year.

If you have any questions or concerns, please don't hesitate to contact us at 717.447.2655.

Sincerely,

Christopher M. Gill
